Edible Image® Designer Prints™ Sheets - General

Issue Date: 9/04/2008

Revision Date: 1/03/2011

Page 1 of 2

GENERAL DESCRIPTION:

Edible Image® Designer Prints™ Sheets are completely edible decorations for decorating many types of food. It is a moisture sensitive product made of completely edible ingredients that can be used to wrap around the sides of the cake or cut and used in unique ways anywhere on the cake. When placed on food, it absorbs moisture and becomes soft, blending with the food. The prints work well on buttercream, fondant, gum-paste chocolate, fudge and ice cream cakes. Edible Image® Designer Prints™ Sheets have been produced on a coated backing paper.
